supplemental briefing within 14 days, which would be January 12, 2022. Dkt. 38.

3. Our firm has briefing for a class certification motion due next week in another case, to which I and the other attorney on this case, Ashlee Albies, will be dedicating our resources. Given this and the general delay over the holidays including my time out of office, I am requesting a seven-day extension of the deadline to provide supplemental briefing to January 19, 2022.

4. I believe good cause exists to support an extension of time.
